

China Golf Push Trolley Features:

- Adjustable handle height to suit all golfers.
- Functional foot operated brake. Cart will hold on the steepest of slopes.
- Adjustable top and bottom cradles for quick secure lock on any size bag.
- The ergonomically shaped handle is suitable for both right and left handed golfers and comes with comfort shaped grooves for your fingers.
- No Assembly required. Just click the wheels on and the cart is ready for operation.
- Score counter and ball line up marker included in compartment.
- Smooth running, stylish, maintenance free, ball bearing wheels feature a simple detachable mechanism for easy cleaning and compact storage.
- The super-strong, double wishbone aluminum frame is both strong, lightweight, and comes with an attractive finish in various colors.
- Attached to the handle is an umbrella holder to keep both you and your equipment dry during a downpour and allow play in all conditions.
- A deluxe scorecard holder with built-in compartment and integrated drink holder is perfect for keeping valuables stowed and also comes with ball and tee holder.

- Your clubs will be even more accessible thanks to the more upright position that your bag sits.
- Fully adjustable front wheel to adjust steering.
